On The Cover

Todd and Patty Roman's 1967 Sunfire Yellow Coupe. They purchased the car back in '73 when it was "customized". Since then, it's been totally restored to it's original beauty. You can read all about it's history on Todd's website... www.67singray.com/index.html. The '67 will soon be going to where it's color is much like the weather, when the Roman's retire to sunny Florida. We will surely miss our friends when they move, but wish them well in their new adventures in life and a long, healthy and happy retirement.

Notes of Interest

Welcome to the club our newest member, Frank Klausner from Turnersville with a 1969 Maroon Coupe.

Please keep in your thoughts and prayers Kay Pine, Patricia Wheeler, Ellen Boyle, Skip Davenport, Lou Ingrassia, Tom Williams and John Jack.

Thank you Ellie Zoccola and Harry Green IV for doing such a great job of maintaining our websites. Also check out our "Links" page, as more and more websites about our hobby are being added.

A 2011 OGSCC Membership Renewal Form is available on Page 17 of this flyer, should you need to make changes to your personal information. Please fill it out legibly and completely if you have any changes from the previous year, and send it in or, bring it to a meeting. All information is kept confidential within the membership. Your timely response will ensure membership status and correctness. Please pay your dues promptly.

The show and cruising season is quickly approaching. Before you know it, the cold and snowy Winter will be all but a memory and we'll have lots of warmth and sunshine. Perfect weather for getting your ride out of wraps, cleaning it up and taking a nice little jaunt to make you remember why you got it in the first place.

Advertise in the Fiberglass Flyer. OGSCC club members get reduced rates. Even the non-member rates are a bargain! You can advertise your business for an entire year at a fraction of what a 3-day newspaper ad would cost. And, it will be in full color and be seen on the world wide web. Contact a club officer today and get your ad working for you.
