On The Cover

The Twin Towers at the World Trade Center, where they once stood in all their glory. A symbol of accomplishment, power and freedom. Brought down by terrorists on September 11, 2001. Thousands lost their lives that day. Family, friends, acquaintances, fire fighters, police officers, military personnel, government and airline employees. Let us never forget the sacrifices that were paid that day, for no reason whatsoever. On this 10th Anniversary, let us remember the brothers and sisters we lost, and also remember to hold our heads proudly, display our American flags, and renew our faith in Freedom and Liberty.
